#3 - SATORI *(my choice)*

The screenshot displays the Satori booking system interface. On the left is a dark sidebar with navigation icons and labels: Dashboard, Offers, Agreements, Calendar (highlighted with a '31' icon), Contacts, Groups, and Billing. The main area shows a calendar for 'Jun 29 - Jul 5'. At the top right of the calendar is a 'Today' button with left and right arrows. Below the date range, there's a section for 'AUSTRALIA/SYDNEY YOUR TIMEZONE' with tabs for 'Sessions' and 'Availability'. Under 'Sessions', there are links for 'Satori Calendars' (Sessions, Busy Periods) and 'Connected Calendars' (Main Google Calendar, Holidays in Thailand, Birthdays). A 'Calendar Event Feed' section at the bottom left explains syncing options. The calendar grid shows sessions for various clients and activities across the days. A pop-up window for a session with Christine Maxfield on July 3rd is visible, showing details like Date (3 Jul, 2015), Start (11:00 am), Duration (90 minutes), and an 'Okay' button.
